Grove Girl Receives Letter From Astronaut

A nine-year-old Lemon Grove girl who took the trouble to write astronaut Alan B. Shepard Jr. a commendatory letter has received a reply from this world-famous space explorer.

She is Carol Ann Rowley, 8020 Darryl St., who said she wrote Mr. Shepard that "you are a very brave man to take such a risk as you did."

Following is the letter she got from him:

Dear Carol:

Thank you so much for your letter. We are glad you will remember our first American rocket flight.

When you grow up, you will be able to take a trip to the moon yourself. We must work hard to make possible these wonderful things.

Sincerely,

Alan B. Shepard Jr.

Carol, a third-grader at Golden Avenue Elementary School has been showing her letter around. One of her school mates told her that she was very lucky to get a letter like that.

Asked if she was interested in space travel herself, Carol said that she was not and would not care to take a trip to the moon.

THIS YEAR'S WINNER? — Lovely Rosita Samoyoa, Lemon Grove's Fairest of the Fair candidate, will vie with other beauties from throughout the county at the 1961 contest to be held Sunday afternoon, June 4, at the Half Moon Inn on San Diego's Shelter Island. If she wins, she will reign over the Southern California Exposition and County Fair at Del Mar June 30 through July 9.

Rosita recently won second place at Balboa Park in the annual Miss Photorama contest. This event, a field day for photographers (some 2000 were there this time), included 113 girls in competition. Miss Lemon Grove also appeared on KOGO-TV lately. She was interviewed along with several other Fairest of the Fair candidates by Lou Roan.

When she won the local contest, her picture appeared in a Los Angeles paper and she was written up by a local columnist.

Market Here Suffers Heavy Fire Damage

A fire which started after the last employe left Saturday night, caused extensive damage to Mac's Monterey Market, 1827 Englewood Dr., Lemon Grove.

According to Mark Foote, Lemon Grove fire department captain, most of the firm's records, much of the merchandise and practically all of the fixtures were ruined.

The department responded to a call at 10:47 p.m. Saturday after the flames had apparently been burning about two hours. The building is windowless, allowing the flames to build up high heat which added to the damage total.

The firm is owned by M. H. Lewallen, veteran Lemon Grove grocer who has owned the market since 1951. The building which burned was built in 1956. Officials estimated the building value at $40,000; stock at $28,000, and fixtures at $35,000. It could not be ascertained what percentage of the stock would be considered lost. The building was classed as "fireproof" and is owned by Yale Combs, a San Diego investor.

The fire started sometime after 8 p.m. when Oscar Jones, a clerk at the market, left the premises. The blaze began at the rear of the building beneath a mezzanine on which the office was housed. The mezzanine gave way and dumped the firm's records into the blaze. An electric wall clock stopped at 9 p.m.

The alarm was turned in at 10:47 by Ted Warden, an assistant manager for Safeway, owntown who saw smoke billowing from the building. The Lemon Grove fire department under Captain Foote, arrived within minutes. Because the building had no windows, added hazards faced the men. All of the crew used oxygen masks. The fire was officially considered "out" at 9:45 a.m. Sunday.

Lewallen said the market would be closed for about 30 days for remodeling and refixturing. Disposal of the contents of the market is awaiting insurance adjusters decision.

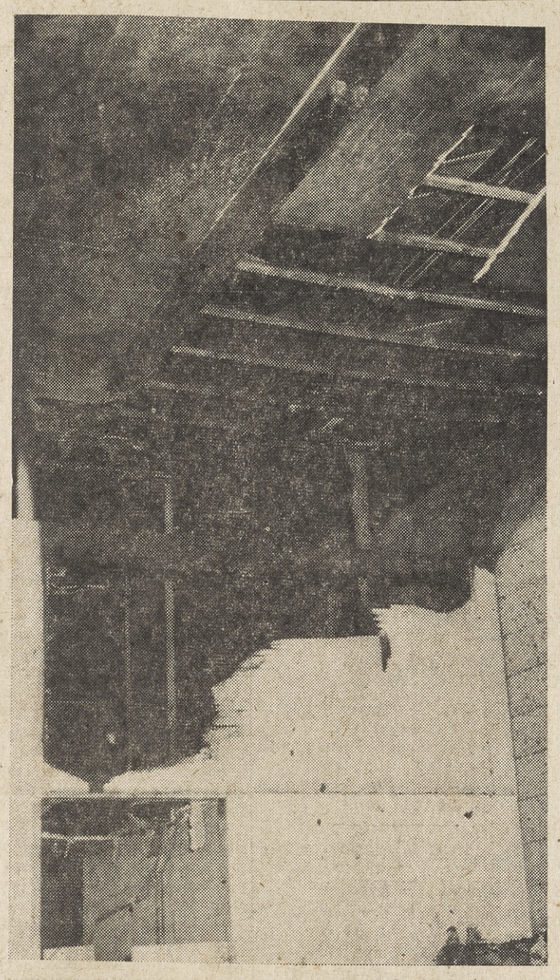
Tippler 'Clinked' As Sole Fire Casualty

Jack Livingston Vrooman, who lives about a block from Mac's Monterey Market at 1720 Englewood Dr., was listed as the sole casualty of the Saturday night fire.

Because he wasn't in a state where he could understand and obey orders of the firemen to get out of the way he was deposited in the county "clink."

He nearly struck a fire truck and barely managed to stop his auto short of a fire hose. He continued to create a disturbance until Deputy Hal Johnson placed him in custody and called for a sheriff's patrol unit.

Deputies J. M. Burroughs and R. M. Wibe took Vrooman in tow at 1:30 a.m. after he admitted having too much to drink and having a previous driving while drunk, and a drunk record. He was taken to county jail and booked for drunkeness.



FIREPROOF! — Fire damage may run as high as $50,000 to the stock and building of Mac's Market from when the interior caught fire early in the long Memorial Day weekend. The windowless building was listed at "fireproof." Without windows, the flames were contained but extremely high temperatures resulted, making firefighting more hazardous. Scene above shows corner where fire started.

Air Parcel Rates May Change

The first readjustment of international air parcel post rates since 1948 for mail from here to 156 foreign destinations was proposed today by the local postmaster.

The new rates, proposed to take effect July 1, would result in increased postage for lighter weight parcels, in many cases, the decreases in postage for heavier weight parcels. These changes are generally necessitated by increased piece handling costs and by reductions in transportation costs to many many parts of the world.

For example: Postage for a two pound package to Australia at present is $10.51 but, under the proposed change, postage on the same parcel would be only $6.98. On the other hand, postage for the same package bound for Mexico is now $1.90 and will be increased to $2.66.

The volume of international air parcel post has jumped from ¾ million pounds in 1949, the first full year of operation, to more than 2¼ million pounds today.

These rate changes were published in today's Federal Register, and the public is invited to address their comments to the Post Office Department within 30 days. The adjustment can be put into effect by the Postmaster General under his existing administrative authority. New legislation is not needed.

Courtesy To Pay Off

Rotary Sets Courtesy Week June 5

The Lemon Grove Rotary Club's annual Courtesy Week will be marked here June 5 to 9. Courtesy awards will be made in five categories, according to Rolla Hamilton, chairman of the club's Courtesy Week event.

A trophy will be given for the person judged to be the "most courteous clerk" and a trophy will also be given to that person's employer.

A trophy will be given to the person judged to be the "most courteous driver." A trophy will be given to the junior high school student producing the best poster on courtesy and one goes to the St. John of the Cross school student who produces the best essay on courtesy.

Any person may make a nomination for the most courteous clerk. Nominations should be restricted to about five written lines and left at the Lemon Grove chamber of commerce office at 3448 Main St. The California Highway Patrol will select the courteous driver. A committee of the Lemon Grove Co-ordinating Council will judge all other categories.

Winners will be honored at a Rotary club meeting June 12.

'Sighted Thief, Dispatched Same'

A Spring Valley man witnessed an attempted theft on May 26. He saw a man whose car was parked in front of a station wagon belonging to John J. Munchus, 10300 Don Pico Ct., Homelands; start taking the spare wheel from Munchus' tire well.

When the man realized he was being watched, he dropped the spare, witness James V. Bass said, and tried to hide between the vehicles. Then he got in his car and left hurriedly. Bass was unable to get the license number.

William Wakely Passes At 84

William Hardy Wakely, 84, a retired cotton-ginner from the South, died May 17 at a hospital. Burial was to be in Rosedale Cemetery in Ada, Okla.

A widower, Wakely had lived here for 15 years. His address was 3250 Vista St., Lemon Grove, where one of his survivors, William E. Wakely, a brother, now lives.

Other survivors are Bell Wakely and Melba Borer.

Boy Prefers 'Jail' To Life With Dad

A Lemon Grove boy, 16, was turned over to the Probation Department lately for refusing to go back to his father. The boy, who stayed temporarily with his brother, said he would prefer Juvenile Hall to staying at home.

L.G. School Board Studies Record Budget

Public hearings on the Lemon Grove school district 1961-62 operating budget will continue on alternate Monday nights, with school trustees caught between a record high budget and a smaller-than-anticipated assessed valuation from which to draw taxes.

Byron Netzley, district superintendent, told the board last week that a spot check indicated that a hoped-for increase of $8 million in assessed valuation probably would not materialize. Last year the valuation was $31 millions.

The preliminary budget this year was $1,790,834 but $100,000 was lopped off of it last week. Last year the budget was $1,650,000. Netzley said the trustees would probably lop off more at the June 12 board meeting.

School tax rate last year for operating was $1.76. Should the board fail to reduce the budge considerably, a rate raise o three or four cents would b indicated, Netzley said.

The DIMMER VIEW

by MAX GOODWIN

During the week-end a costly fire destroyed much of the stock, most of the records, and all of the fixtures of Mac's Monterey Market on Englewood drive.

Luckily, no one was hurt as firemen battled all night to douse the blaze, but the ironic part of fire is that the building was labeled "fireproof" by the builders.

The building is constructed of poured concrete blocks with a plaster interior, and by most standards "fireproof" would be a proper measurement. . .but then, fire, such as this, is never proper and respects no type of construction.

While the owner highly commended the fire department for prompt and expedient action, it should be noted that even a "fireproof" building and a competent fire department cannot prevent fires. The best preventative is the building's occupant.

Both Lemon Grove Fire Chief Harold Hensley, whose department attended the fire, and Spring Valley Fire Chief Foranic Berger, who runs the neighboring department, said that firemen will visit any residents premises, on request, to help assess the fire hazard therein.

The chiefs said that the visits would be made without charge and that recommendations they make would not be enforced.

It provides a simple way for the resident to evaluate his fire hazard and a means for the fire department to chart trouble spots should fire come.

In San Diego and its environs, the economic picture is looking promising.

There was a gain of 1,000 aircraft jobs and 200 government jobs in March. These offset the loss of 1,200 non-manufacturing jobs, left 312,400 persons on San Diego area payrolls, and left 25,400 (7.5 per cent of the civilian labor force) without jobs. Since the term covered by the Economic Research Bureau of San Diego has long since passed, many signs for optimism are present that were not there when the study was made. For example, the California Department of Employment says that employment in April was the highest of any month of 1960-61 except December.

The ERB study showed construction of single and multiple units at a four year low in March. Both of these cate-

Planners Reset Meet When Overcrowded Hall Prevents Opponents' Plea

SAN DIEGO (CNS)—Confusion in a crowded meeting of the County Planning Commission Friday resulted in a special use permit for a Lemon Grove park first being approved, then being unapproved and finally in a new hearing being called for June 9.

All this was very much to the embarrassment of commissioners, who had called for action on the park permit out of turn on their agenda, in their hope of keeping proponents of the park from having to wait.

It turned out that there were persons present who wanted to protest, and they never got their chance.

The unhappy situation arose at the close of a lengthy commission hearing on a zone change asked in the Bonita area.

Coordinating Council Is "In Agreement"

Dr. Dennis McLaughlin, president of the Lemon Grove Coordinating Council, said early this week that he had met with residents of the area in which the proposed "green spot" park is to be located and that all were "in complete agreement."

Dr. McLaughlin said that he would recommend to the council that backing be given the nearby neighbors in their desire to keep park noises to a minimum. They asked for banning of dancing, public address systems, music systems and audience participation activities at the park.

Among the residents were some of those who had wished to voice their opposition at the planning commission hearing to abnormal park noises. They pointed out that the opposition was against 'noise-making activities" alone.

One housewife who lives adjacent the park said she and her neighbors wanted only the same restraint on noise that we would expect of our neighbors' children."

The chamber was crowded with persons involved in that hearing, and the hall outside the chambers was crowded with persons interested in the Lemon Grove park permit.

At the request of somebody from Lemon Grove, the commission took on the permit question.

Crowds from Bonita poured out of the chamber, blocking doorways, .

PARK OK'D

"Any protests to this Lemon Grove Park permit?" asked Commission Chairman Gilbert Ray. No protests being heard the commission approved the permit.

When word of the approval was passed to the crowds still in the hall, those against the park asked for a chance to be heard.

At first, the commission thought it should let those in protest have a chance to be heard, if they were still present.

Bob Sjogren, attorney for the proponents said they were present, and Robert Berrey, deputy county counsel, advised the commission that it could hear those who wanted to speak.

Commissioner Warren Hooper disagreed. "I don't think we should," Hooper said. "We're treading on very dangerous ground. This would be, in my opinion, a dangerous thing to do."

"We thought we were doing the people a favor, and now look what we've gotten into," said Ray.

Commissioner F. O. Culy agree with Hooper that it would be too dangerous to proceed with hearing those in protest. He said the commission would be open to criticism if there were some who came to speak had gone away without that chance.

SET FOR JUNE 9

Berrey then said the commission should just wipe out the action it had taken and start all over. He told the commission to direct its staff to start proceedings for a new hearing, with new advertising, slated for its June 9 meeting.

The park permit delay will not hold up any action on improving the area as a park, it was indicated, as the plans for developing the area are being changed because of the offer of the Lemon Grove Swimming Pool Assn., to donate two and a half acres it owns adjoining three and a half acres already owned by the county.

The offer of the donation was made last week, but the application for a permit was changed in time to cover a six-acre area, at the northeast corner of the Washington street-Alton drive intersection. Whether or not to accept the offered two and a half acres is now being studied by the parks and recreation department and the public works department. They will recommend what action should be taken by the County Board of Supervisors, but there is little question that the offer will be accepted.

Dear Editor,

Regarding the efforts of the citizens of this community to obtain a special use permit for the Lemon Grove park last Friday, I feel there are a few things that should be brought to the attention of those who attended the meeting. As chairman of this project for over a year, I would like to discuss them.

Regarding the spokesman for the opposition, Mrs. Lon Blanchard, I remember that in January when I made a telephone survey of the park area, Mrs. Blanchard replied to our question by saying she was not interested in the park and preferred to have the land left exactly as it was. It seems to me her present opposition because of possible square dancing is a cover for her primary purpose—"no park at all." I also feel she has misled her neighbors in this matter.

However, last Sunday night in May 28 I attended a meeting of the Heartland Square Dancing Federation and explained what had happened Friday in the offices of the Park and Recreation Department. The Heartland Federation immediately agreed to limit any dancing they do to either sundown or 7:30 p.m.

They are sending the Council a letter to this effect. Also they mentioned that they preferred dancing on hardwood and not on cement slabs and that County parks close about 9 p.m.

I want to urge all who attended the meeting Friday to come back to the next hearing and bring a friend. Since the opposition to the park repeatedly stated that the only thing that bothered them was square dancing, it will be interesting to see if they keep their word.

Sincerely,

Dorothy Nottingham

Mrs. A. Lee Nottingham

P.S. The Heartland Federation of Square Dancers is sending a representative to the next hearing also as they feel they are being presented in an unfavorable way.

'Wild One' Springs In And Out Of Spring Inn

The Spring Inn, 9853 Campo Rd., Spring Valley, was a relatively quiet place last week when the day started out. Bartender Harry Gillespie talked to Ellsworth Hatch of Spring Valley and to Judy V. Rizek of Encanto.

Then came the sound of an approaching motorcycle which stopped in front of the Inn. And a young man later estimated to be 23 or 24 entered the front door.

The young man ordered a beer and then decided to get some peanuts to go with it. He went to the peanut machine and inserted a coin. The machine stuck. The young man kicked it. It still stuck. Finally he knocked the machine to the floor.

Then he ran out of the Spring Inn. In running out he kicked the plate glass window of the door. It shattered and fell out. The once peaceful trio heard the motorcycle roar eastward on the highway.

Washington Report

The National Association of School Boards, meeting in Philadelphia this month, passed a Resolution opposing Federal Aid to Education, but little or no publicity was given to this fact.

I will predict that if grants or loans are given to parochial schools, either Catholic or Protestant, within two years those schools will be prohibited from having a Bible in the school library, let alone being denied the teaching of any religious doctrine. To ask for this aid is simply signing a death warrant. When federal money finds its way into any program, you can expect that it will be followed by rigid and massive controls. Any parent, student, or teacher who wishes to make a complaint, will find the local school board impotent, and will have to come to the Washington bureaucrats to make such complaints or recommendation. Here they will find themselves lost in a maze of bureaucratic red tape.

Please, oh please, do your part to keep education on a local level!

Wheel Stolen, Car Lowered To Street

On the night of May 27 someone removed the right front wheel from his '55 Chevrolet Bel Air automobile parked on Main street near the Masonic Temple in Lemon Grove, reports Arthur M. Barber, 5515 Lakewood Dr., Lemon Grove.

Mr. Barber said the car had been lowered to the street and the lug bolts taken. Value of the loss was $20.

Counties To Split About $20 Million In New Taxes

PASADENA—California's 58 counties can expect to share roughly $20 million in additional property taxes from public utilities in the 1961-62 fiscal year. This was the prediction of State Board of Equalization Chairman John W. Lynch of Tulare as a result of board action here today.

The prospect of a substantial increase in revenues was raised when the Board of Equalization tentatively increased the valuation of 14 major utilities by $276,649,480, setting the total valuation of the firms at $3,853,650,000.

Brownies Pay Visit To Folk Dance Clubs

BROWNIES Pay visit 2 2 24....

In connection with last month's theme of music and dancing, Brownie Troop 620 paid a visit lately to a Sunday afternoon meeting of the folk dancing clubs in Balboa Park. Members of the clubs demonstrated and explained several of the traditional dances and costumes and the Brownies were invited to take part in one dance.

Tuesday the Brownies conducted a tea party for their mothers and grandmothers at the Bancroft School cafetorium. They presented a program in which all of the girls participated and in which they showed what they'd learned from their music and dancing study.

Individual fiber flower corsages made by the girls were presented to the mothers at the tea. In a brief ceremony at the close of the program, Brownie Troop 620 leadership passed to Mrs. Jackie Hobb, previous co-leader, from Mrs. Louise Calkins. Mrs. Dora Perez is now co-leader.

One feature of the day was exhibition of craft items the girls made, and coke, coffee and punch were served at tables decorated with traditional Brownie colors.

Family Matinee Scheduled At Old Globe

A family matinee of "Holiday For Lovers" has been scheduled at the Old Globe Theatre, Balboa Park. The afternoon performance will be held Sunday. Curtain time is 2 p.m.

The Old Globe's matinee program is designed for theatregoers who work during the evening hours and older citizens unable to attend nighttime entertainment. Reduced prices are available for the afternoon show.

The romantic comedy is particularly suitable for children, Director Craig Noel said. The plot revolves around a family vacation in Europe, with stops in Paris, Rome and Seville.

Thieves Invade Home of LG Army Officer

About $35 was reported stolen on May 24 from the home of Matthew W. Chait, Lt. Col., USA, ret., who lives at 1618 San Altos Pl., Lemon Grove.

Part of the money was in the form of quarters, half dollars, and silver dollars which had been placed in two L&M Cigarette boxes. The theft also involved part of a coin collection in a small box in the victim's bedroom closet.

Col. Chait said that two twenties which his wife had hidden in a dresser drawer in the bedroom were stolen but that some foreign coins were undisturbed.

Chargers, Welbaum 'Huddle' for Kids

SAN DIEGO — Tom Welbaum, local coach, athletic director, and teacher in the Grossmont district for nine years, has been named Commissioner of the "Charger Huddle" by General Manager-Head Coach Sid Gillman.

The "Huddle" will be for boys between the ages of eight and 14 and will permit members a "Charger Huddle" membership card, free admission to the Chargers' home game at Balboa Stadium when accompanied by an adult and admission to three Saturday morning football clinics with tentative dates of August 5, October 28, and December 9.

Free Coca-Cola and Good Humor ice cream will be available to members at these clinics on top of demonstrations by the Charger players and lectures by the Charger coaches.

In addition, the "Charger Huddle" will form the official honor guard for the Chargers when they come into the field to do battle with their American Football League opponents.

Five officers, president, vice president, first vice president, second vice president, and treasurer will be selected by Welbaum from the "Huddle" to take an active part in operation of the organization.

Welbaum is highly qualified to "call signals" for the "Huddle," having coached football, basketball, and baseball at Helix and Mt. Miguel high schools. The 43-year-old Welbaum is president of the San Diego County Pop Warner Federation and has been associated with the La Mesa and Lemon Grove Pony and Colt Leagues for eight years.

"Charger Huddle" application blanks may be obtained by writing to Tom Welbaum, San Diego Chargers, 2223 El Cajon Blvd., San Diego 4, Calif.

Valleyites Start Softball Team; Doughty Manager

Spring Valley has a new soft ball team. Sponsored by the Spring Valley Estates, the team is comprised of managers, coaches and fathers of Spring Valley Little League players. The team was formed last year but did not get started until recently.

Manager of the team is Don Doughty, who was elected coach of the soft ball team last year, and who has been coaching the Meteors in the Little League. Coach is Frank Gilbert, another Little League coach.

The Spring Valley soft ball team is scheduled to play other such teams in the county. This past Sunday they took on the National City team, playing on the Spring Valley Little League field. The result, Spring Valley, 8, National City, 4. Winning pitcher was Tom LeBlanc, although he was relieved in the fifth by "Casey" Case.

A game is scheduled for Sunday at 2 p.m. on the Spring Valley field, Harness and Sweetwater lane.

Contributions collected at these games go toward the betterment of little leagues.

College Holding Its Baccalaureate

San Diego State's traditional baccalaureate services will take place in the campus Main Quad at 4 p.m., Sunday, June 4.

The colorful event will see members of the senior class along with faculty and administration members in a full regalia procession. Churchmen from Jewish, Protestant and Catholic faiths will participate.

The La Mesa Numismatic club and the La Mesa Philatelic society held a joint show May 14 at the La Mesa Youth and Recreation Center. Winners for the best stamp collection were as follows:

First prize for United States stamps went to Oscar Oderman of Lemon Grove, and second prize to Jim Rowley of San Diego. In the general foreign category, first prize went to Don Vemich of La Mesa, and second prize to Oscar Oderman. In the air mail division, first prize went to Charles Bobo of Brookside (LM) and second prize to Jim Rowley.

Prizes for the best coin collection sweepstakes went to Paul Hamm. A. F. Anderson of Lemon Grove took first prize, Robert Ralau, second, and Jerry Beals, third. Daryl Simmons won the prize for the Junior division. The most popular coin trophy went to Paul Hamm.

The two above mentioned organizations will hold their regular "Auction Night" June 14 and their "Swap Night" June 18. The meetings are held in Porter Hall, 8472 La Mesa Blvd., La Mesa, at 7:30 p.m. The meetings are open to the public and refreshments are served.

The La Mesa Table Tennis Assn., sponsored by the La Mesa recreation park department, came home with three trophies from the Los Angeles County Table Tennis Tournament held at Los Angeles this last weekend. The winners were as follows:

Jess Martinex Jr., 14, from Spring Valley won first Junior Men's Novice. Twelve-year-old Steve Jupin from El Cajon came in second in the Junior Men's Novice. A La Mesa boy, Richard Rodriguez, age 16, came in second in the Junior Men's singles.

Heavy Hitting Continues In Valley De Oro League

McCARTHY SHINES ON PITCHER'S MOUND

by Tommy Thomas

Batting in the Majors, the Minors and the Cap teams of the Valley de Oro Little league, this past week, was extremely heavy, with some of the games far out of balance. However, there were a few "closies," showing that good baseball can still be played by the youngsters.

"The Eyes of Texas are Upon You," should well apply to that up and coming young little league pitcher, Tim McCarthy of the Pik Pak Pickles team. He has been doing an outstanding job on the mound this season, and this past week was credited with two wins, one being a shutout.

Following are the scores for the Majors:

May 23. Golden Bowl 3, Jim's Richfield and L and R Auto Parts 2, and the winning pitcher was Tommy Matters, who has been doing a good job this season.

May 24. Woods Lathing Service 8, Summers Sporting Goods 7, and the winning pitcher, Jack Welty.

May 25. Pik Pak Pickles 2, Polar Frozen Foods 1. This game ran seven innings, with Tim McCarthy as winner on the mound. The Polar team made a nice double-play; Kenny Geddis to Mike Rauscher.

May 26. Woods Lathing 7, Jim's Richfield and L and R Auto 3. Winning pitcher was John Barna.

May 27. In the first game of a double-header, it was Pik Pak Pickles 10, and Golden Bowl 0. Tim McCarthy pitched the shutout. Mike Donnelly, playing right field for the Pik Pak team, jumped high in the air to make an outstanding catch. He was really given a big round of applause. And then Don Rivera, playing left field for Golden Bowl did himself honors by making the second outstanding catch of the game.

In the second game, it was Summers Sporting Goods 6, Polar Foods 4, and Wayne Kelley was the winner on the mound.

MINOR SCORES

May 23. La Mesa Engineering 15, Jamacha Sand 9, with Kelly Hudson the winning pitcher.

May 24. Spring Valley Lumber 9, Expo Stucco 8. Ronnie Schaefer was the winner on the mound.

May 25. Sanitary Septic 16, Casa Drug 9, and the winning pitcher, John Neptune.

May 26. Spring Valley Lumber 4, Jamacha Sand 3. Dave Akers was the winning pitcher.

May 27. In the first game of a double-header, it was Sanitary Septic 15, Expo Stucco 11, with Kenny Sparhawk the winning pitcher.

In the second game, the Casa Drug team beat out the La Mesa Engineers by a score of 21 to 1 and Larry Breedlove (of the famous Little League family) was the winning pitcher.

CAP SCORES

These games were all played May 27—Greens 12, Golds 8, with Garry Tatum the winning pitcher; Blacks 12, Maroons 6, winning pitcher was Wayne Anderson; Reds 5, Blues 4, with Steve Bakes winning pitcher.

Chargers Sign Jacque MacKinnon

SAN DIEGO — Jacque MacKinnon, rated as one of Colgate's all-time great running backs, has signed to play with the San Diego Chargers of the American Football League, Head Coach-General Manager Sid Gillman announced.

Declared ineligible for the 1961 college season, MacKinnon, drafted as a "redshirt" by the Chargers and on the 20th round as a "future" by the NFL champion Philadelphia Eagles, decided to enter professional football, with the full approval of his college coaches.

The 6-3, 225-pound MacKinnon played two years of varsity ball with Colgate and among his many honors were Honorable Mention All-American as a sophomore and All-East as a junior.

MacKinnon, who was No. 3 in the nation in kickoff and punt returns in 1959, will be utilized as a fullback or end by Gillman.

Pitchers Keeping Down Hits In Spring Valley Pony League

The Spring Valley Pony League this past week played some very close baseball, in many cases the scores being just one or two runs apart. Only a couple of times did the hitters of one particular team go on rampage. Pitchers of all teams did a marvelous job it was reported.

Here are the scores for the week:

May 22. Valley Pharmacy 8, Southwest Trophies 6, with Tom Young winning the mound battle.

May 23. Summers Sporting Goods 7, Cochran and Co. 6. Estes was the winning pitcher, and will be remembered as the pitcher who made good in Little League.

May 24. Southwest Trophies 15, Minor team No. 1 scored 12. Edwards was the winning pitcher, but the highlight of the game was turned in by the Minors, a triple play. It seems there were men on 1st and 2nd. Walden was playing short stop for the Minors. He handled a line drive. He tagged second base doubling the runner, then threw to first to double that runner. However, the first baseman, Solkenna, dropped the ball, but retrieved it in time to throw to second base catching the runner coming in.

May 25. Berry's Sporting Goods 8, Lemon Grove Merchans 4, with the winning pitcher being Schwitzer.

May 26. Summers Sporting Goods 3, Spring Valley Merchants 2, with the winning pitcher again being Estes.

May 27. In the first game of a double-header, it was Lemon Grove Merchants 18, Cochran and Co. 4, with Stevens as the winning pitcher.

In the second game, Spring Valley Pharmacy team beat the Minors by a score of 10 to 1 with Lewis winning easily on the mound.

May 28. In the first game of the double-header, it was Summers Sporting Goods 6, Berry's Sporting Goods 4. Cobb won on the mound.

In the second game, Southwest Trophies team won over the Spring Valley Merchants by a score of 5 to 4. Ron Thomas was winner on the mound.

Ferry Brothers, Meteors Suffer First Setbacks

Following are the scores in the Majors:

May 23. De Falcos 8, Spring Valley Estates 7.

May 26. Noble's Market 14, Merchants 0. Watson's Richfield 4, Ferry Brothers Concrete 2.

MINORS SCORES

May 22. Meteors 10, Cosmics 4.

May 25. Astros 5, Meteors 2.

May 27. In the first game of a double-header, it was Solars 17 and Spacers 3.

In the second game the Cosmics won over the Planets by a score of 14 to 7.

Ferry Bros. team of the Majors and the Meteors of the Minors suffered their first defeats of the season during the past week's games in the Spring Valley Little League.

Only three games were played in the Majors and four in the Minors. Due to a technical difficulty the names of the winning pitchers and the highlights of the games were not reported.

PADRES BACK FROM LAND OF POI

San Diego's Padres will begin another long home stand Monday night when the Hawaii Islanders visit Westgate Park for the first time. The Padres, in their first set-to since returning from Hawaii, will bring a dancing girl and musicians with them.

Hawaii's roster includes two former Padre players, infielders Milt Smith and Ray Jablonski. The latter has proved to be one of the top power stickers in the Pacific Coast League this season.

LITTLE LEAGUE AUXILIARY TO HOLD BAKE SALE

The Women's Auxiliary of the Vista La Mesa Little League will hold its annual bake sale Saturday from 9 a.m. 'til noon.

Mrs. Mary Jane Fenwick, chairman of the sale promises all sorts of home made godies will be available.

LG Merchants Lead Local Pony League

High Scoring Characterizes Week's Games

The past week's Lemon Grove Pony League's ballplaying displayed a lot of high scoring and close games. Lemon Grove Merchants are in first place but the season is early yet and anything can happen.

The candy sale for the league, which is ending Sunday, June 4, has not gone over as had been hoped. The leaguers hope that people will still help them make a success of this sale.

Here is a rundown on games played:

May 22. The Kiwanis collected 11 runs on four hits to beat Fred's Auto 11 to 2. Stout was winning pitcher with 12 strikeouts.

May 23. In the top half of the first morning the Lions scored 2 runs, then Burriston's shoes got up to the plate to take command of the game, winning 15 to 2 in six innings. Winning pitcher was Whiting.

May 24. Cole Santo hit an "in the park" homerun to help the Merchants beat the Kiwanis 10 to 9 in a touch and go battle. Winning pitcher was Bob Kotnik.

May 25. Copeland caught a long fly ball for the third out in the seventh inning to save the Lions' win of 3 to 2 over Jet Tool. Nunez was winning pitcher in this "come from behind game.

May 26. Lockhart of Fred's Auto gave up only two hits in defeating Burriston's Shoes 9 to 1. Kenny Burke of Fred's Auto hit a homer in the first inning to get the ball rolling. Burriston's only run came in the third inning with a single by Kepner and a double by Mugg.

May 27. A three-run homer by Forrester and a two-hitter by Hobson helped the Lions defeat the Kiwanis 4 to 1. It was a 1-to-1 ball game until Forester smashed in his homer at the bottom of the seventh to end the ball game.

In the second game of the day, K. Burke of Fred's Auto unleashed two homers to lead Fred's Auto to a free-swinging win of 11 to 8 over Jet Tool. Hodges of Jet Tool hit a two-run homer in the fourth. Miller was credited with the win.

May 28. Kotnik hit a homer in aiding the Lemon Grove Merchants to beat Burriston's Shoes 10 to 5. Foote was the winning pitcher.

Locals Win Ping-Pong Tournament

The La Mesa Table Tennis Assn., sponsored by the La Mesa Recreation-Park Department, came home with three trophies from the Los Angeles County table tennis tournament held at Los Angeles this last weekend. The winners were as follows:

Jess Martinex Jr., 14, from Spring Valley won first Junior Men's Novice. Twelve-year-old Steve Jupin from El Cajon came in second in the Junior Men's Novice. A La Mesa boy, Richard Redriguez, 16, came in second in the Junior Men's singles.

Ball Playing Highlighted By Speedy Double-Plays

HEAVY HITTING ALSO FEATURED AT CAJON DE ORO

Some fast double-plays highlighted the week's games of both the Majors and Minors of the Cajon de Oro Little League. In most games the batting was real heavy although there were a few close games, showing that the pitchers were tightening up.

Following are the weeks scores in the majors:

May 23. Cougars 9, Lions 1, with Tom Mitchell the winning pitcher.

May 24. Tigers 17, Bears 4, with David Junker the winning pitcher. There were two home runs in this game; one by Steve Dutton of the Tigers and the other by Dave Miller of the Bears. Ralph Traber of the Bears made a nice double-play unassisted.

May 25. Elks 6, Colts 1, with Mike Garber the winning pitcher. A nice double-play by the Elks was turned in; Ross Dell to Larry Papike.

May 26. Cougars 8, Lions 6, with Tom Mitchell the winning pitcher. Here's a hurler worth keeping your eye on.

MINOR SCORES

May 22. Eagles 19, Orioles 17, and the winning pitcher, Nathan Phillips.

May 24. Eagles 19, Larks 11, with Bill Thomson the winning pitcher.

May 25. Orioles 9, Cardinals 5. Randy Raines won on the mound.

May 26. Robins 17, Hawks 16, with Mike Davidson the winning pitcher. Davidson also participated in a double-play, himself to McCoy. The Robins made a second double-play; Davidson to McGowan.

CAP SCORES

May 22. Darts 23, Sabres 6, with Ron Hamilton the winning pitcher.

May 25. Mustangs 17, Sabres 14, with Robert Morell the winner on the mound.

May 27. Darts 15, Mustangs 4, and the winning pitcher was Ron Hamilton, another boy to watch.

Pony Leaguers Having Night With Padres

The Spring Valley Pony League will have their night at Westgate Park, home of the San Diego Padres baseball team on Saturday, June 10.

"Would you like to see a good game of baseball and help your local Pony league this week?" asks the boys. If you buy a ticket you can be doing just that. The Spring Valley Pony league players now have the tickets for sale for that particular night when the Padres will be playing Seattle.

Out-of-Towners Excel in Local Fishing Tourney

Out-of-town fishermen outsmarted San Diego anglers in the seventh week of the 1961 Yellowtail Derby by capturing all five weekly awards, Andy Grayner, chairman of the Jaycee-sponsored event, reports.

All prize fish ran under 25 pounds, although a 48-lb. 9-oz. yellowtail was landed last week off the Point Loma kelp beds by Bobby Parsons, skipper of the Nu-Gaga. It is not eligible in the competition, however, since sportfishing boat employes cannot compete.

Letters TO THE EDITOR

Dear Editor:

Facing the people of the State of California is a situation of the gravest concern, which requires the immediate interest and action of each individual. San Diego City Councilman Allen Hitch stated, "WHEN THE PEOPLE HAVE LOST THE RIGHT TO PETITION, YOU MIGHT AS WELL TAKE DOWN THE FLAG." We have very definitely lost the right to petition on local legislation. Our most basic precept of government has been refuted.

In recent court cases of the City of San Diego vs. the parking meter initiative and the San Diego County Board of Supervisors vs. the "land control" referendum, the decisions against the people were based on the premise that any local legislation in a field preempted by state law is not subject to petition by the people at the local level, even though they are the only ones affected by such legislation.

Though seldom used, the right of the people to the initiative and referendum has long been a deterrent to those local officials, who, inadvertantly or not, wish to enact legislation that is not in the people's interests or desires. With the removal of this obstacle, these officials could now go "hog-wild," and with those local bodies being both administrative and legislative, the situation is doubly dangerous.

Fortunately, there is now offered a solution to this injustice. The four Assemblymen from San Diego County have introduced an Assembly Bill which would, in effect, reverse the court decision on the parking meter issue. Its main author, James R. Mills, (D-SD) stated, "I am not taking a position on the parking meter question. I am simply insisting on the people's right to vote on this issue." IF WE INSIST, THIS BILL COULD BE AMENDED TO RESTORE THE INITIATIVE AND REFERENDUM RIGHTS ON ALL LOCAL ISSUES. Failing this, no corrections can be made until the Legislature meets again in 1963.

Lloyd T. Veen, Secretary
Citizens Assn. for Better Government

Dear Editor:

A small group of local citizens met last Wednesday evening at Grossmont Hospital at the request of two local doctors to discuss the possibility of forming a local unit of the American Cancer Society. We decided to form such a unit. It will encompass the communities of Lemon Grove, Spring Valley, and La Mesa. Our first organizational meeting will be held at Grossmont Hospital, in the Nurses' Auditorium, Wednesday evening, June 28th at 7:30 p.m.

We hope all those in this area who might be interested in working with the group will attend. Speaking personally, I know very little about the fight against cancer, the nation's second largest killer. But, I learned enough the other evening to know that through local interest and education 1500 lives can be saved in our area alone.

Editor, we will be calling on you, for your usual generosity in giving us publicity. Remember the grand hoopla we raised a few years back in sponsoring the Polio Campaign? I can't help but think of those grand high school kids who worked so hard for the ultimate success of the campaign, and how over $5,000 was raised two years in a row and must have represented about one dollar per head for everyone in our area.

Today, a lot of those kids are married and have families of their own, and can raise their children without fear of polio.

We think the fight against cancer must be waged now, right now, here, on a twelve month basis. The main Cancer Fund Raising Campaign was concluded in April. Now, the Society wants to educate us all as to the dangers and also the great opportunity to assist in relieving the pain, death, and sorrow that is present in our community.

(Yeah, we know, too long, but) I do have to say this: Right now, a program of from fifteen minutes to one hour, with a film, projectionist and a local M.D. to answer questions for any group, five persons to five hundred, is available at no cost. Until such time as a permanent organization is set up, call me at HO 6-5128 or HO 6-5273 and we'll get it.

Thanks again,
Channing P. Mason
8220 Broadway

Dear Editor:

We extend our sincerest thanks to you for the heartwarming and extensive coverage you gave our triumph at the Maytime Band Review.

This parade is the culmination of a years' hard work, in many cases, before school in the mornings and on Saturdays and Sundays in other parades throughout the year.

Whenever a band of superior quality, such as the Lemon Grove Junior High Band, wins a top trophy, visitors from all over the country ask the location of their town. To the thousands of spectators who appreciate the behind-the-scenes work in producing a band of this quality, it represents a community where interests lie above those where juvenile crime is rampant.

A place in the band is gained only by lots of practice and good grades. A poor citizen cannot be tolerated under the discipline a band necessarily imposes upon the members.

Thanks also to the people of Lemon Grove for supporting the band so generously when we are selling our candy bars. Mr. Weisgerber, the director of the band is to be commended for a job well done and the school personnel and the administration for making this effort possible.

Mr. Fred Weber, our retiring president, shall be remembered with gratitude for giving unselfishly, so many hours of assistance whenever he was needed.

Thanks again to all of them and to you for the public notice that has given all concerned the determination to do it again.

Sincerely yours
Mrs. Lysette Stumbaugh
Sec'y, L.G. Music Parents

Dear Editor:

Apropos your 'Dimmer View' recently:

With all due reverence and respect for the 23rd Psalm, the following reprint from the Medical Digest of February, 1961, the following "HYMN TO THE WELFARE STATE" (Thanks to Stuart Pearce, Exec. Sec. San Antonio Real Estate Board 'via' Ken Stuart, Sacramento Realtor)—

The Government is my Shepherd,
Therefore I need not work.
It alloweth me to lie down on a good job.
It leadeth me beside still factories;
It destroyeth my initiative.
It leadeth me in the path of a parasite for politic's sake.
Yea, though I walk through the valley of laziness and deficit-spending,
I will fear no evil, for the Government is with me.
It prepareth an economic Utopia for me, by appropriating the earnings of my own grandchildren.
It filleth my head with false security;
My inefficiency runneth over.
Surely the Government should care for me all the days of my life
And I shall dwell in a fool's paradise forever.

Marie West Parrish

Dear Editor:

I thought you might like to know how much my family and I enjoyed the trip that I won as a prize in your essay contest.

We went up to Buena Park April 29-30 to celebrate my birthday. I can honestly say that I have never been to a nicer motel than the Aztec. The owners were real friendly and nice. They gave my younger brother and sisters a free room and surprised me with a birthday cake that they had made at Knott's Berry farm.

Thank you for making all of this possible.

Sincerely,
Karen Sjogren

Ed's. Note: Karen Sjogren won this newspaper's annual essay contest for junior high students. The prize was a trip to Knott's Berry Farm and overnight at the Aztec Motel in Buena Park. This year the theme was on the difficulties of being patriotic.

Dear Editor:

The following is a letter which I dispatched to President John F. Kennedy and the State Department last Monday. It expresses my deep concern over the fact that this government is beginning to deal in the field of international blackmail. When I wrote the letter I held a dim hope that the President would not endorse this movement which will make this country the laughing stock of the world.

I should like to compare this situation to one arising more than a hundred years ago in this Republic. In 1858 President Buchanan assembled seventeen men-of-war and 1900 men in the harbor of New York and dispatched them to Uruguay to extract an apology from that country for killing an American citizen in a surveying crew on the La Plata River. The apology was forthcoming. Have we grown stronger or weaker, morally and militarily, in the last hundred years?

Candidate Kennedy said during the campaign that American prestige abroad was rapidly declining, and now he has spent the first 125 days since becoming President in making that charge come true. I hope he does not dedicate himself to making the other charges come true. It is natural to question the President's authority in stating that gifts for the payment of blackmail shall be free of income tax, but the time for questioning of executive power seems to have passed out of the picture.

May 22, 1961
President John F. Kennedy
The White House
Washington 25, D. C.
Dear Mr. President:

As a Representative of more than a million people in Southern California, I feel that I must register a most vigorous disapproval regarding the proposal of Mrs. Eleanor Roosevelt, Mr. Walter Reuther and Dr. Milton Eisenhower to pay tribute and blackmail to the Castro Communist Regime for the liberation of some twelve hundred prisoners. I am advised by the press and radio that our State Department looks with favor on this blackmail proposal.

How low can this country sink in the eyes of the world to initiate a program of blackmail exchange? I am certain that you must realize that when these twelve hundred are released, there will be twelve hundred, or twelve thousand, more people offered in barter.

I have been deluged with telephone calls from my District expressing this deep concern. You would have had complete support of the Congress and of this nation had you carried out the terms of your 7-minute speech given to the nation on April 20th, and it is a great disappointment to me that after more than a month nothing has been done. Somebody in authority should tell Mrs. Roosevelt, Mr. Reuther and Dr. Milton Eisenhower that dealing with a head of a foreign government does not fall within the purview of private citizens and is a matter for the State Department under the direction of the President.

It is my belief that we should either leave Cuba completely alone or that we should move in with every power at our command and set up a protective government, awaiting the time when Cuba is again capable of self-government, as we did after the Spanish-American War. We cannot afford to delay a day, a week or a month in laying down a firm policy. We cannot afford to see our world prestige continue to sag.

Yours most respectfully,
/s/
James B. Utt

Miguel Frosh Donate $400 To Field Fund

The freshman class at Mount Miguel high school has raised $400 for their chapter of the American Field Service.

Four students of Mrs. Ona Elliott's English-social studies classes, Nancy Neptune, Lorraine Plummer, Keith Campbell, and Jenny Shacklett, planned the money-raising program with the help of their classmates. Presenting an assembly introducing Mount Miguel's present foreign exchange students, they then decorated coffee cans to be used for monthly collections, in freshman classes. Mr. Don Anderson's classes also contributed $170 to the fund.

"We deeply appreciate all the donations that were contributed during the drive by the freshman class," commented Mrs. Elliott. "We hope that our small part in serving the AFS program will help in furthering the understanding of peoples of the world."

The DIMMER VIEW

(Continued)

gories show a sharp increase in April with the upturn continuing into May.

Real estate transfers experienced a three-year low in February-March but have recovered to reach the average volume experienced during the past four years.

Bank debits, another business barometer, are up five per cent over a comparable three months period the year before. Debits for the quarter ending March 30 topped three billions of dollars.

The price index dropped slightly while average earnings were up slightly during the study period and the prediction is for an increase of 2,000 jobs by July.

In all, the future isn't what the doom prognosticators have pictured for us.

* * *

The keeper of a column such as this inevitably becomes the trashcan for factual minutae. It doesn't make any difference about the size of the paper or the frequency of the issue, the editor receives several pounds of mail a week, much of it slanted for getting a specific product or project into print. By wading through a page-and-a-half of typewritten material and eliminating the hidden commercial, the editor can usually cull one good fact.

Out of material crossing the editorial desk in one day we saved from oblivion this material:

If you're an average consumer, during your lifetime you'll eat the equivalent of 33 hogs, 10 lambs, 8 steers and 4 veal calves.

More specific new drugs have been released in the past 20 years than in all previous medical history. About 80 per cent of prescriptions written today are for drugs that did not exist 10 years ago.

Since the end of WWII, the federal government has spent more than $85 billion for veterans' benefits of one kind or another. This is more than three times as much as the U. S. spent for this purpose from the Revolutionary War to WWII.

Twenty-eight per cent of the weeklies and 24 per cent of the daily newspapers in America plan to replace their newspaper presses within the next two years.

Senator Byrd: "I am not altogether convinced that they (highway users who are paying for them) are getting their money's worth. I am, in fact, gravely suspicious that some of their money is being wasted on gingerbread design and extravagances and, what is worse some of it is disappearing in loose administrative practices, irregularities and profiteering."

From Governor Brown's office, midway in a release carrying a dateline "Progress Report No. 21": Revenues (of the state) for the current year ending June 30 are expected to fall $9,600,000 short of earlier estimates."

All of the above proves conclusively that the material is good stuff to have. . .if you have a specific need for it. Those of us who don't, find it awfully hard to work into a normal conversation.

Resident Observes Peeping Tom Looking

A man who lives on Niblick drive in the Brookside area reports that a prowler has been playing "peeping tom" in his neighborhood. Raymond C. Hansen, 3649 Niblick drive, reported to the sheriff's office that he saw the peeper lately.

He said that one night right after he had turned out the lights in his house, he observed a car without headlights pull up before his home. He said that the driver walked across the street and looked in a bedroom window, then returned to his car and drove north.

The man came back in a few moments, Hansen continued, and, after taking another look in the bedroom window, then looked in windows of houses on both sides of that house.

Hansen said he went outside to copy the license number of the man's car but that the plate was too smeared with dirt to make this possible.

PUBLIC NOTICE-- ITS MANY USES

Copyright 1960
By James E. Pollard

Here is another series of articles on legal advertising. The first few will deal with background of legal notices. Later, specific legals will be discussed.

THANKING THE DOCTOR
(No. 10 in a Series)

A New England weekly newspaper regularly carries cards of appreciation which are somewhat unusual. They are entirely voluntary, of course, and are from recently discharged hospital patients in gratitude for the care and attention they received, particularly from their doctors.

One of these read:

I wish to thank Dr. P. . . . G. . . . for his professional services the many times I was in the hospital for treatment. Also to my niece, Mabel, who so willingly and graciously cared for me both in the hospital and at her home. Also the nurses who came to my bedside with a bit of cheer. May God bless and keep you all.

Estella McF. . . .

Such notices seem to be quite common in the paper in question. It has been published regularly since 1876 in a coastal summer resort town of 2,200 although the paper has a press run of 3,200. This indicates a much wider readership than the town population, an important factor in connection with paid newspaper circulation.

Whether local medical societies would approve the widespread use of this kind of voluntary public notice might be in question. But this homely story proves two things: the grateful sincerity of the former patient and the reliance of the public upon the bona fide newspaper to "spread the word." It is no accident that the law not only permits, but in hundreds of situations requires, that public notices shall appear in newspapers of paid general circulation.

Man Reports Theft Of Borrowed Goods

A paint sprayer with compressor was stolen from his porch on May 20 or 21, George C. Griffin, 8631 Jamacha Rd., Spring Valley, has reported to the sheriff's office. Griffin, a Convair employe, said the unhappy part about the theft was that the unit had been borrowed from a friend. He said he would prosecute.

Property Owners Squawk On Sewer Assessments

SAN DIEGO (CNS) — Approval of assessments for installing a sewer system in the Panorama drive area of Spring Valley and La Mesa was voted Tuesday by the County Board of Supervisors, despite the protests of property owners who called the project "a real lousy job."

Protests were voiced as to the quality of the work done and the cost of the project.

Warren Barney, chief of the public works department engineering staff, explained to Supervisors the difficulty in establishing assessments for the project. He said a first attempt to set assessments on a front foot basis resulted in charges of about $10 per front foot, or the highest on record.

But a charge on an area basis, he said, resulted in unfair assessments for larger parcels. The compromise, Barney said, was a combination of a front foot charge of $5 and an area charge of $1,095 per acre.

The cost of the project was $220,000, compared with an engineer's estimate of $205,000, but those in protest declared that they had been misled as to what their assessments would be.

One property owner said he had been told that the cost would be only $3 per front foot, to which Board Chairman David L. Bird replied that the county had not had a project at that price for 10 years.

"The county doesn't go out and do these jobs just to make land owners squirm," said Supervisor De Graff Austin. "We did this on your petitions."

There was a chorus from the crowd chamber: "We never would have signed the petitions if we had known how much it would cost."

Criticisms were bitter against the contractor, Foster and Marsh. One complaint was that a rock had made a hole in a land owner's house, with the contractor avoiding making good the damage.

Barney promised that any failure of the contractor to restore property to its condition of before the sewers would be investigated.

Grove Woman Is Art School Graduate

WESTPORT, CONN. — Mrs. Pauline F. Greenlees, 1506 Dupont Dr., Lemon Grove, has graduated from the Famous Artists School of Westport, Conn. Mrs. Greenlees specialized in commercial art and illustration during her three year course with this home study school.

Heading the art institute is a faculty of distinguished artists among whom are Norman Rockwell, Albert Dorne and Jon Whitcomb.

Television Stolen From Open House

Someone has walked off with her 17-inch portable Emerson television valued at $49.50, Mrs. Maralee Ann Barnes, 527 Kempton Dr., Spring Valley, has reported to the sheriff's office. She said someone entered her unlocked residence while she was at work. Deputy Sheriff D. A. Stewart reported finding no usable evidence.

Rev. Sisk Continues Evangelism

Special evangelistic meetings with Rev. Ivan Sisk preaching, continue Thursday and Friday nights (no Saturday meeting) and Rev. Sisk will be speaking at both the morning and evening services of June 4. A nursery is provided for babies and pre-school children at all meetings. Special music and choir singing are being presented at all services. Everyone in the area is invited, says Rev. Ernest Anderson, pastor.

The high school-college age group held a potluck supper Monday night with their sponsors, Mr. and Mrs. Bert Derrick and Mrs. Lena Anderson. Rev. and Mrs. Anderson were special guests.

Vacation Bible School plans continue for the "Summer Safari" to be held at the church June 19-23. The various departments are having separate meetings and a wonderful five-days is being planned for the blessing of the boys and girls of the area, says Rev. Anderson.

Miguel Sophs Contribute $25 To Trust Fund

Mount Miguel high school's sophomore class voted recently to contribute $25 to the American Field Service trust fund. The contribution, which will be the gift from this year's class, is one of several projects of the sophomores.

Recently, the students donated $5 towards the purchase of a tree for the school. On Monday, May 22, they will hold their sophomore swim at the Carman Ranch Club from 3:30 to 7:30 p.m.

Mrs. Marjorie Dietrich, sophomore class sponsor, commented, "We feel that the sophomores are giving other students a good pattern to follow."

Keen competition for cash premiums and a chance to win the "World's Champion Avocado Grower" title will develop between exhibitors of the much-lauded fruit at the Southern California Exposition and San Diego County Fair at Del Mar June 30 through July 9.

Local 'Witnesses' In 18-Unit Meet

The Lemon Grove-Spring Valley congregation of Jehovah's Witnesses will be in assembly with the other 18 units of the San Diego area Friday and Saturday at the Coliseum, to which the public is invited.

High point of the meet will be Sunday at 3 p.m. when A. K Wagner of the New York headquarters will speak on the timely subject: "The Twentieth Century in Bible Prophecy." The entire assembly is under the direction of Floyd F. Garrett, former Watchtower Society branch manager in Australia.

The Witnesses regularly schedule these assemblies on a circuit and district level as well as national and international. Attendance has reached as high as 250,000 a day.

"The assembly program is not designed to be entertaining but rather instructive, increasing Bible knowledge and Christian ministry activity. Jehovah's Witnesses are now organized in 179 lands with more than 21,000 congregations formed. Free Bible education is their principal ministry activity. The good news of God's established kingdom is the chief message they bear," stated Carl E. Jones, presiding minister of the local congregation.

Grove Man Heads S.D. Dance Club

One of San Diego's longest established dance clubs, Los Bailadores, has elected executive board members for the coming social year.

Larry Stillman of Lemon Grove, the new president, heads the following group of officers: Andrew Ackermann, vice president; Mrs. Chandos Jackson, recording secretary; Mrs. Glenn Woodworth, corresponding secretary; Dr. Joseph Traeger, treasurer; William Swenson, finance; Mrs. Frank Hill, entertainment; Mrs. Guy Moore, arrangements; Mrs. Henry Callihan, membership; Stuart Streshly, publicity; Mrs. Stephen Anderson, member-at-large.

Retiring and new boards will host each other at a buffet dinner June 17 at the home of Mr. and Mrs. Ira Winchell.

Mt. Empire Plans Potluck Dinner

The Mt. Empire Farm Bureau Center held its regular meeting Friday, May 26, in the Old Stone House in Campo. A potluck supper was held at 7:30 p.m., followed by the meeting. Granville Martin, chairman, announces there will be a speaker and that items of importance to the Bureau will be discussed. The meeting and potluck are open to the public.

Presbyterians Install New Church Windows

Men have been working this week installing the circular glass windows in the south entrance wall of the new sanctuary at Trinity Presbyterian Church, 3902 Kenwood, Spring Valley. The swirls of colored glass, predominately blue, make a very impressive sight.

The cost of these windows was underwritten by members and friends of Trinity as part of the Memorial program. A large cross will be installed on the chancel wall soon.

Next Sunday's services at 9 and 10:30 a.m. will honor the children of the congregation. Bibles will be presented to the children with good attendance at church school. Children's choirs will sing at both services.

PRIORITY OF GOD IS CHRISTIAN SERMON

"Acknowledging God's Priority" is the theme at Vista La Mesa Christian on Stewardship Sunday, June 4. A commissioning of callers service will be held during morning worship at both 9:45 and 11.

Members are asked to remain in their homes Sunday p.m. until callers can visit them.

Vista La Mesa Church opens her doors to the community and all who seek God in the fellowship of His people. Church School, 8:45 and 9:45; Youth services 6:30.

INDEPENDENCE IS BAPTIST SUBJECT

"Be Dependent on Nobody," will be Rev. Roland Taylor's text at the 8 and 11 a.m. services, Sunday. The Chapel choir will sing at the early service and ths Chancel choir at the later. In the evening Rev. Taylor will speak on "Behold The Man."

Rev. and Mrs. Taylor and children are scheduled to attend the American Baptist convention at Portland, Ore., June 14-18.

Brethren Church Having Evangelistic Services

Ira D. Warner, Bishop Emeritus, will be guest speaker at the Spring Valley Evangelical United Brethren Church, 9400 Campo road, Spring Valley, through Sunday, June 4. They included colored slides and recordings of his travels in Africa.

On January 25, 1959, the congregation voted to name this mission church the Warner Memorial EUB church in honor of the Bishop, Ira D. Warner who wsa such a forceful promoter of mission churches during the 29 years of his work in the Pacific area. The retired Bishop has been an evangelist, Bible teacher, world traveler and missionary statesman.

The climax of the services will be Sunday, June 4, at 3 p.m. with the official dedication of the Warner Memorial Evangelical United Brethren Church. The Bishop W. Maynard Sparks will preside at the dedication service. He will speak on the topic, "The Stone Of Destiny."

The site of some four acres was purchased at Campo and Rodgers road in Spring Valley through the mission board of the Conference, May 28, 1958.

The first public service was held on July 27 1958 in the Seventh Day Adventist Church of La Mesa.

On April 16, 1959 the Rev. A. Philip Strickler was assigned as full time pastor of the church.

IRA D. WARNER

The congregation is fully organized with a Women's Society of World Service, EUB Men and Youth Fellowship. There are two junior church groups meeting every Sunday morning. The Sunday School is organized for all ages.

The church celebrated its Charter anniversary with ground breaking for the first unit of the new building at 2 p.m. Sunday, Oct. 30, 1960. This unit consists of approximately 4,792 square feet and cost $74,000. It is the first of a $250,000 building project. William F. Rosser of San Diego was the architect. The Visser Construction Co., Inc. of Escondido was the contractor.

CHURCH COUNCIL PLANS MEETING

The annual assembly meeting of the San Diego County Council of Churches will be held June 6, at 6:30 p.m. at the Conference Building in Balboa Park.

The meeting will begin with a concert by the Salvation Army Band, a basket dinner at 6:30, and the program session getting under way at 7.

'Wedding Day' Set For Methodist Church

Married couples will be honored Sunday at the Lemon Grove Methodist Church. Special attention will be focused on the youngest and the oldest married couples.

The sermon delivered by Dr. Jordan Dexter will have as a topic, "Wedding Bells in Galilee." It is of Jesus at the wedding and stresses the importance the Bible gives to marriage.

SQUARE DANCERS HOLD SURPRISE PARTY

The Square Eighters square dance group held a surprise party May 27 which turned out to be a "come as you are party." It was held at the Rolando Park school and members amused themselves with comment on the garbs in which people came to the dance. Dale Durbin was caller and door prizes and refreshments were given out.

Lutherans Give New Schedule

Atonement Lutheran Church, Spring Valley, announces a new schedule of Sunday worship. Starting this Sunday there will be two worship services; an early service at 8:30 a.m. and a later one at 11 a.m. Sunday School and adult Bible study will be held at 9:45 a.m.

The blessed Sacrament of Holy Communion will be celebrated twice each month; on the first Sunday of the month at the 11 service, and on the third Sunday of the month at the 8:30 service.

Area Women Elected To Lutheran High School Auxiliary

The Lutheran High School Auxiliary elected Mrs. Charles Hunt of Spring Valley as their 1961-62 chairman last week at a brunch meeting in the home of Mrs. Vern Magnuson, El Cajon. To assist Mrs. Hunt are three vice chairmen.

Mrs. Roy Eastberg of Lemon Grove was reelected to the position of recording secretary.

In the one year's existence of the auxiliary it has sponsored a prayer service on the property of the high school, a membership tea, and a festival of choirs and has turned over to the high school association $1,000 to the building of the school. The school will open its first semester this September 1961 in temporary quarters.

'God The Only Cause' Is Sermon At Science Church

"God the Only Cause and Creator" is the subject of the Lesson-Sermon to be heard at all Christian Science churches on Sunday. The Golden Text is from Psalms (72:18), "Blessed be the Lord God, the God of Israel, who only doeth wondrous things."

Selections from the King James Version of the Bible will include this verse from Revelation (4:11), "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created."

GOD'S MINUTE

REV. H. C. BAKKEN

"RISEN CHRIST"

Christ is our representative at the right hand of the Father now, but the time is coming when He will return to this earth. He is coming again to judge the living and the dead. None will escape. We have to make ready for that day. Only those who seek God in sincere pentience will be judged prepared for God's Eternal Kingdom.

Foster Parents Get Official Recognition

NINE FROM AREA GET APPRECIATION AWARDS AT FETE

Seven Lemon Grove and two Spring Valley foster parents have received awards from the County of San Diego for their participation in the foster care program. Also awarded were 92 other foster parents in the county.

Two of the Lemon Grove parents received 15-year awards. They are Mr. and Mrs. Frank Garcia, 2607 Washington, who have cared for more than 24 children on a full-time basis; Mr. and Mrs. James Williams, 7245 Waite, who have five children of their own and have cared for more than 46 foster children on a full time basis.

10-YEAR AWARDS

The rest of the parents received 10-year awards. They are Mr. and Mrs. Max Anderson, 2814 Massachusetts, Lemon Grove, who have three children of their own and have taken care of more than 29 foster children. Mr. and Mrs. Oscar Henton, 2654 Bonita, Lemon Grove, who have one child, have cared for 18 children on a daycare basis while their parents worked.

Mr. and Mrs. Frank Weber, 1750 Elroy Dr., Lemon Grove, who have two children of their own, have taken care of at least 23 children some of whom required special care. Mr. and Mrs. Paul Whitmoyer, 1655 Larwood, Lemon Grove, have cared for more than 15 children on a full-time basis and more than 50 on a daycare arrangement.

Mr. and Mrs. Leo Wilbert, 1760 Dupont Dr., Lemon Grove, who have two children of their own, took full-time care of foster children up until a couple of years ago when they began daycare of children.

Mr. and Mrs. Cecil Barbour, 9133 Akard, Spring Valley, have three children of their own and have cared for at least 29 foster children. Mr. and Mrs. Goshke, 9041 Mac Lane, have cared for 10 children most of whom remained in the household over a several year period

MANY TAKE PART

Mrs. Margaret O'Neill, chairman of the Appreciation Day event, said there are some 1,200 families in San Diego County taking part in the foster care program either with full-time or daycare arrangement.

Foster children are defined not only as orphaned children but also those from homes where illness, separation or family tragedy has taken place, Mrs. O'Neill pointed out.

All types of foster parents are licensed according to California law.

Mrs. O'Neill said that there is an increasing need for homes where more than one child may be taken so that foster brothers and sisters may remain together.

Probably the main reason parents become foster parents is because of the enjoyment and satisfaction they receive from having children around, Mrs O'Neill said. "These people are giving a most valuable service to the community," she continued. "We often ask them to do the impossible and more often than not the impossible is done."

Those wanting information on the Foster Homes Program may call BE 4-8871, ext. 245, or write to Foster Homes Licensing, 1375 Pacific Highway, San Diego.

Coleman Piles Up 5 Awards

Mount Miguel high school junior Philip Coleman has received a total of five awards in the fields of math and science during the 1960-61 school year.

Philip, offered a summer scholarship at Scripps Institute of Oceanography and one at the University of the Pacific at Stockton, chose the latter, a six-weeks course beginning June 13. Here he will study mathematics and physics under a grant from the National Science Foundation.

He placed third out of 249 first-year chemistry students from 24 high schools in a chemistry contest at San Diego State College on April 29.

Other awards captured by the Migueler were the scholastic achievement award in chemistry and the Harvard Prize Book award.

At present, Philip's future plans include work at the California School of Technology, where he plans to major in math and physics.

Philip said of his summer study course, "I'm looking forward to it. It will help me to attain my goal of studying physics."

Hideaway Burglar Still Hiding Away After Taking $80

The owner of George's Hideaway Cafe, 445 Sweetwater Rd., George R. Thompson, has reported to the sheriff's office an $80 theft from his place on May 22 between 2:15 a.m. and 10 a.m. He said the thief, who hasn't been caught, gained entrance by prying open a rear door.

He said the suspects broke open a coin-operated pool table, a bowling machine, a jukebox and a cigarette machine. From these he got about $60 and from a box in the kitchen he took another $20, Thompson added.

Deputies took fingerprints from the jukebox and the cigarette machine.

Ryan 'Cloth Plane' Doing Well in Air

The Ryan Flex Wing "flying test bed," prototype of an entirely new class of flight vehicles using wings of cloth or other flexible material, successfully made its first proving flights lately, Ryan Aeronautical Company officials have announced. Ryan test pilot Lou Everett was at the controls.

Unlike conventional aircraft with rigid metal-covered surfaces, the flexible wing of the Ryan test bed is of plastic-coated nylon material attached to a keel and leading edge members so as to form an arrow or V-shaped, kite-like surface which supports the platform suspended beneath the wing. For high speed, high temperature applications, materials such as fine wire mesh cloth would be used.

Mementos Taken In Shed Looting

Unknown persons entered a shed on the property of Samuel W. Stanley, 2212 Lawton Dr., Lemon Grove, last week, and ransacked the contents. They forced the lock on two old trunks containing mementos of Mr. Stanley's youth, and carried class books, commencement announcements, etc. and dumped them under a pepper tree about 50 feet away. The suspects left a tennis shoe print at the scene, and apparently weighed himself on the feed scales as the bar was set at 130 lbs. Mrs. Marian Batchelder, Stanley's daughter, made the report to the sheriff's office.

Persistent Intruder Finds 'Hidden' Cash

Fifty dollars was stolen from his house sometime between May 21 and 23, reports Glenn Guerin, 1419 El Prado, Lemon Grove. He said someone pried open the glass door to his home and rifled through drawers, closets and shelves in a bedroom until they encountered the money tucked away at the back of a top shelf.

About 350 girls in 21 San Diego County communities are competing for the 1961 "Fairest of the Fair" title. Winner will reign over the Southern California Exposition and San Diego County Fair at Del Mar, June 30 through July 9.

NEWSPAPERMAN TO TEACH AT ADULT HIGH SCHOOL

Grossmont Adult High School has designed a special course for newspaper and magazine writers. It will begin June 7 at 7 p.m. in El Cajon High School.

Emphasizing the practical problems, the course will concentrate on such basics as writing leads, interviewing, phrasing, and reporting techniques. The class will also cover marketing and job opportunities in the field.

Named as instructor for the class is Murray Norris, LL.B., a veteran editor with 16 years in the field of newspaper and magazine writing.

Anyone interested in the class can sign up at Grossmont Adult School, or obtain details by calling HI 4-2106 or HI 8-0227.

Judge Doerr Gives Speeder $53 Fine

A man who went 100 m.p.h. on Freeway 94 on May 18 while going to El Cajon City from Lemon Grove when police were trying to overtake him, May 25 was sentenced by Municipal Court Judge Doerr. Charged with reckless driving, he was fined $53.

Enrollment of 600 Expected By New Grossmont College

A report presented to the Grossmont Junior College District board of trustees indicated that over 600 students may enroll in the Grossmont College this fall when it opens its doors for the first time. A survey of the college and vocational plans made by senior counselors at each of the six high schools of the district and John Burdick, dean of student affairs for the college, shows a great interest in attendance at the local college.

Mrs. Goode was selected as the board member who would represent the Grossmont College in negotiations on an interdistrict attendance contract with San Diego and Sweetwater representatives. It is estimated that approximately 350 day students from the Grossmont district will continue in San Diego City College next year. General agreement has been reached on the contract details which will provide for payment of tuition charges plus $300 per pupil for high cost technical-vocational programs.

Two teachers were added to the college staff with employment of Leeland Engelhorn and James K. Bell.

Associate Superintendent Harold G. Hughes informed the college board that funds for planning the college would be available as soon as the board has approved a bond election, has decided the facilities to be built, and has established plans for site acquisition.
